

## Liability Release and Express Assumption of Risk for Discover Tec Diving

Please read carefully, fill in all blanks and initial each paragraph before signing.

I, \_\_\_\_\_, (Participant) HEREBY DECLARE THAT I AM A CERTIFIED

SCUBA DIVER, TRAINED IN SAFE DIVING PRACTICES AND AM AWARE OF THE INHERENT HAZARDS OF SCUBA DIVING.

\_\_\_\_\_ I further declare that I have been advised and thoroughly informed of the hazards of participating in technical and recreational scuba diving activities, and in consideration of being allowed to participate in this activity, I hereby assume all risks in connection with said activity, for any harm, injury or damage that I may suffer while I am participating in this activity, including all risks connected therewith, whether foreseen or unforeseen.

\_\_\_\_\_ I further declare that I am thoroughly informed, and completely understand the inherent hazards of simulated Technical Scuba Diving activities, including the risk or serious injury or death. Further, I understand that diving with compressed air or oxygen-enriched air (nitrox) involves certain inherent risks which include but are not limited to: decompression sickness, embolism, oxygen toxicity, inert gas narcosis, marine life injuries, fire and/or explosion hazards, and barotrauma or hyperbaric injuries which can occur and require treatment in a recompression chamber. I further understand that Technical Scuba Diving activities may be conducted at a site that is remote, either by time or distance or both, from such a recompression chamber. I still choose to participate in such simulated Technical Diving activities, despite the possible absence of a recompression chamber in proximity to the dive site.

\_\_\_\_\_ I further declare that I understand simulated Technical Diving involves risks which exceed those encountered in recreational scuba diving. These risks may include but are not limited to: the burden of additional or redundant equipment, including additional tanks; the necessity for computing both nitrogen and oxygen loading to plan dives; and the need for specialized training, equipment, and planning for different types of Technical Diving. I understand that simulated Technical Diving may involve a greater risk of serious injury or death than recreational scuba diving, and I voluntarily assume the risk of this activity.

\_\_\_\_\_ I understand that I AM SOLELY RESPONSIBLE FOR ENSURING MY OWN SAFETY DURING PARTICIPATION IN THIS ACTIVITY and agree that: 1) the facility(ies), organization(s) or supervisory personnel offering this activity, \_\_\_\_\_, or their employees; 2) the organizers or promoters of this event; 3) Diving Science and Technology Corp. (DSAT); and 4) International PADI, Inc. (PADI), its affiliate or subsidiary corporations, any of their respective employees, officers, agents or assigns (1 through 4 hereinafter referred to as "Released Parties"), may not be held

liable or responsible in any way for any injury, death or other damages to me or my family, heirs, or assigns, that may occur as a result of my participation in this activity, or as a result of the negligence of any party, including the Released Parties, whether passive or active.

\_\_\_\_\_ I declare that I am in good mental and physical fitness for diving, and that I am not under the influence of alcohol, nor am I under the influence of any drugs that are contraindicated to diving. If I am taking any medication, I declare that I have seen a physician and have approval to dive under the conditions of this activity while under the influence of the medication/drugs.

\_\_\_\_\_ I understand that all types of scuba diving, including simulated Technical Diving, are physically strenuous activities and that I will be exerting myself during this activity; and if I am injured as a result of heart attack, panic, hyperventilation, etc. that I assume the risk of said injuries and that I will not hold the Released Parties responsible for the same.

\_\_\_\_\_ I will inspect all of my equipment prior to every use during this this activity, ensuring that I have all necessary equipment, and that it is functioning properly. I will not hold the Released Parties responsible for my failure to inspect my equipment prior to diving.

\_\_\_\_\_ I further save and hold harmless the Released Parties from any claim or lawsuit for personal injury, property damage or wrongful death, by me, my family, estate, heirs, or assigns, arising out of my participation in this activity, including both claims arising during the activity or after I complete the activity.

\_\_\_\_\_ I further declare that I am of lawful age and legally competent to sign this liability release, or that I have acquired the written consent of my parent or guardian. I further agree that if any portion of this Agreement is held to be invalid for any reason, that the remaining provisions shall remain in full force and effect.

**I, \_\_\_\_\_, understand and agree that the terms herein are contractual and not a mere recital, that this instrument is a legally binding document, and that I have signed this document of my own free act, after reading and understanding the entire Liability Release and Express Assumption of Risk agreement.**
